

## DFC SPONSOR A GOAL SCHEME 2016-17

The Sponsor a Goal scheme is returning for the 2016-17 season.

Last season it raised £3300 for the club, putting the total raised so far since relaunch in the Northern League season to over £8500

For those who are unaware of how the scheme works, the premise is simple:

### Pledge an amount for goals scored, then pay up

Pledges are accepted for goals scored by the team or an individual player, penalties scored, goal difference, points achieved, hat-tricks, clean sheets, penalties saved, goals scored from in or outside the area, in the first or second half

Pledges can be for any amount. 20p, 50p £1, £5, your choice

All National League games, and FA Cup & Trophy matches are included.

Payment can be made each week, monthly, at the end of the season, In Jan and May, via Paypal, Bank Transfer or cheque

Pledges can be made via Twitter to @darlogoals, by email to [darlogoals@gmail.com](mailto:darlogoals@gmail.com), or handing this form to the club shop

Updates will be sent out through the season, and running totals will be posted on Twitter, Uncovered, and via Darlo Matters

Many thanks  
Ian & DFC
